# Are you a legal superstar?

**We are not like 'other' law firms.**

Based in the award winning town of Altrincham, we offer our employees a fantastic work-life balance with genuine career progression and a wealth of benefits.

We champion team work and we don't set individual billable hour targets. This creates a positive and proactive working environment for all our employees.

With over 20 partners and 100 members of staff, we have a collaborative and strong working culture, expecting high standards, commitment and quality from one another.

# No place I'd rather be...

Our vibrant colourful logo represents our forward-thinking, fun and innovative business, and we reflect this in our team and environment.

Our recently refurbished, state of the art, 20,000sq ft Grade A office boasts comfortable and spacious open plan working environments, a social room (complete with pool table, table tennis, table football, darts and yoga space), chill out areas and a modern kitchen & tv on each floor.

# Working in Altrincham

Altrincham is an affluent Cheshire market town, based in the heart of the vibrant **Northern Powerhouse** and close to both **Manchester Airport** and **Manchester City Centre**.

The recent regeneration of the town centre has transformed Altrincham into an **award winning high street**, with coffee shops, restaurants and bars opening on a daily basis.

The **hidden gem** of Altrincham is the local market which offers everything from freshly baked pizza to bespoke ales. Just down the road is Goose Green, another area boasting restaurants and bars in a close, sociable environment.

Altrincham also has **fantastic transport links** as it is part of the Manchester tram and rail network. It is also part of regular bus routes and is situated close to the M56 & M6 motorways, making it **commutable** from Chester, Manchester, Liverpool and Stoke.

# 'Bee' inspired!

## The Building with the bee.

Situated where Barrington Road and Woodlands Road cross, you can't miss our Myerson office building – we're the '*building with the Bee*', showing our support for the charity *We Love MCR*.

The Bee in the City project was a fantastic public arts event which attracted widespread attention across the city.

To support our local community in Altrincham we are developing an urban community bee garden, for residents and community groups from across the local area.

# Don't stop believin'...

We believe in what we do...and so do others!

We are consistently recommended as 'top tier' by The Legal 500, which praises us for *"fantastic speed of response and constructive, helpful and pragmatic advice delivered by a team that clearly knows its stuff"*.

We were also delighted to be named as mid-tier Law Firm of the Year by the Manchester Law Society and voted as one of The Times 200 Best Law Firms!
