Sometimes a client or prospect will ask you to undertake work that isn't an area of specialism for your practice. Maybe you have a conflict of interest or not enough capacity to complete the work.

Protect and enhance your client relationships

Rather than turn down the business and risk losing your client relationship, you can now confidently assist your client through Myerson Connections – a referral scheme for law firms, solicitors and those operating in the legal sector.

It is completely free to join, with no minimum term, and enables you to offer your clients access to a wide range of specialist legal services, not just those in which you practise.

As a member of Myerson Connections, you will receive a wealth of financial benefits:

8%

of our profit costs on matters referred to us by you*

15%

of any conditional fee uplifts we receive*

10%

discount on our fees when acting for you, your law firm and your colleagues*

If your client contacts us directly about any other matter, we'll seek to refer them back to you.

If you can't assist and we subsequently act for them, we'll pay you a referral fee.*

If you don't wish to receive a referral fee for a particular matter, then we'll happily pass on the saving directly to your client. Simply let us know.

Other benefits of being a member include:

- Access to our trusted network of specialist advisors, experts and professionals
- Regular newsletters and legal updates
- Easy tracking of your referrals and fees received via the Connections Web Portal and App
- Priority invitations to training, seminars and events
- A range of fixed fee services that you can pass on to your clients*
- Assistance with practice management and compliance issues*

* Subject to terms and conditions. For further details, please contact a member of our team.

How it works – at a glance

- 1** Your client asks you for advice you're not in a position to provide.
- 2** You ask them if they're happy to be referred to someone who can help and explain that you're part of Myerson Connections.
- 3** You call us to discuss the matter, talk through the options and make the referral.
- 4** We'll contact your client, with your consent, to discuss those options again with them directly.
- 5** We'll confirm our fees and provide your client with more information about Myerson Connections.
- 6** We'll issue our engagement letter, complete the work and bill your client directly.
- 7** We'll confirm to you when the work is completed and billed.
- 8** We'll pay your referral fee once we receive payment from your client.

By prior agreement, we may bill your clients monthly and pay interim referral fees to you.

We can support you and your clients with a range of legal specialisms. If you require a service that isn't listed, please contact us to discuss.
